

14 July 2022

Dear Parents/Carers

### **Hot weather**

We have been monitoring the weather forecast for next week and are very concerned about the predicted temperatures on Monday and Tuesday. Most of our buildings/facilities are old and whilst we have a vast number of fans and some air conditioned rooms, it is very difficult to keep it cool. As a result of this we have made some decisions to try to protect students and staff as much as possible.

- Postponed The Hayfield Games (sports days) until next year.
- From Monday 18 July - Thursday 21 July allowing students to wear PE kit to school or normal school uniform but no tie or blazer.
- Making reasonable adjustments in PE lessons.

Please ensure your child(ren) brings plenty of water. There will be the opportunity to fill up water bottles at break and lunch times. Suncream on parts of the body exposed to the sun is a good idea and a cap/hat for breaks/PE. [NHS Guidance on hot weather and how to protect yourself.](#)

All students have had information and advice about the dangers of swimming in open waters such as lakes, rivers, canals. However tempting this might be please can you remind them. We want to make sure they are safe at all times.

We will be sending our usual end of term letter next week. School closes on Thursday 21 July at approximately 12.10 pm and the 2 Bawtry buses have been rearranged for this time.

Kind regards

Lisa Fox  
Headteacher
